**Subject:** update on CA AE work?

Hi Michele,

I'm following up from our conversation earlier today. Is it possible to schedule a meeting between R9, HQ staff working on AE data, and DOGGR to talk about DOGGR's progress in pulling together their AE data? We are wondering about their schedule for completion in

comparison to our plans to update the UIC master list of AEs and the development of a GIS dataset for public release. The week of June 15-18 or 23-26 may be the best time for HQ and Cadmus staff to attend.

Thanks for any help/insights you could give,

Jill
